

Print this form to count your door types

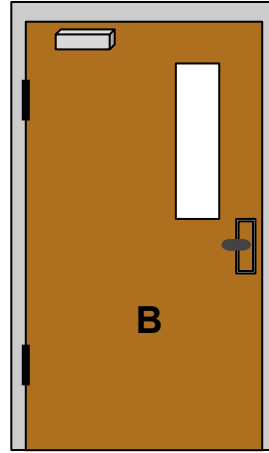

Use this form to do an assessment of your school doors. We suggest walking the hallways and using tally marks or hash marks to discover the quantity of each type of door you need to shutter.

When door quantities are totaled use the e-quote feature on the Shelter Shutters website to get a quote.

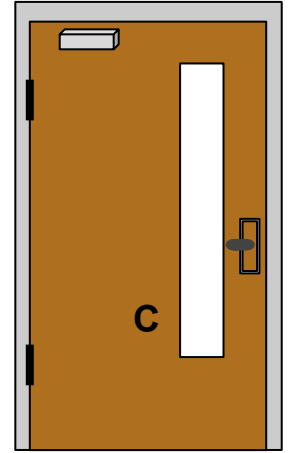

If your door is not an exact match choose the closest match.

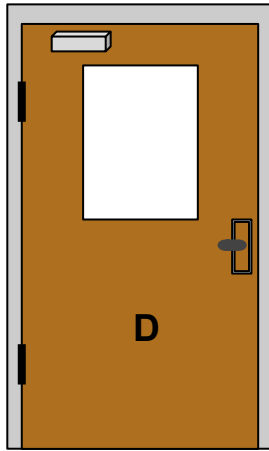

A. _____

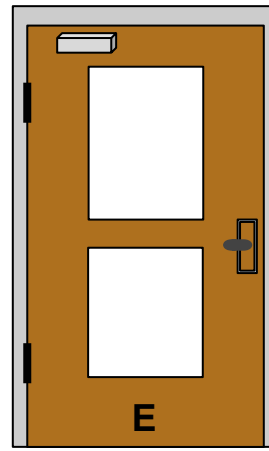

B. _____

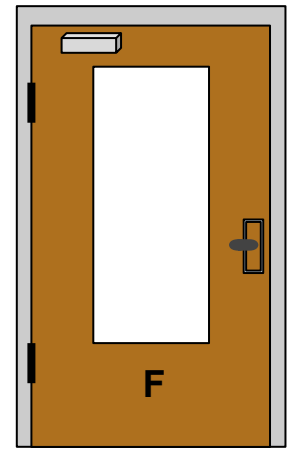

C. _____

D. _____

E. _____
